- 2 heating elements
- Maximum power: from 700W to 1800W
- Over heating protection
- Digital LCD
- Digital room temperature setting
- Automatic room temperature sensor
- Digital clock
- Digital week calendar
- Multi-operating mode:
 - free use mode
 - daily automatic programs
 - automatic one week pre-setting
- Anti-frost function
- Floor-stand and wall-mount double use

SOLAR NEAR-INFRARED RAY BIO HEATER with gold lamp

■ NH-1000SM

- 1000W power out put
- 2 power setting:500W/1000W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium
- Meas(mm):625x450x370
- Qty/40HQ:650PCS

■ NH-1000ER

- 1800W power out put
- 2 power setting:500W/800W/1100W/1500W/1800W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium
- Wall mountable
- With remote control

■ NH-1500BM

- 1000W power out put
- 2 power setting:500W/1000W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium
- Meas(mm):1440x240x420
- Qty/40HQ:450PCS

■ NH-1500CR

- 1800W power out put
- 2 power setting:500W/800W/1100W/1500W/1800W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium
- Wall mountable
- With remote control
- Meas(mm):1440x240x420
- Qty/40HQ:450PCS

■ NH-1000A

- 1000W power output
- 2 power settings: 500W/1000W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Spectral quality aluminium
- parabolic reflector
- Advanced nano PP housing,
- high-temperature-resistance
- With handle, portable
- Meas(mm):810x230x335
- Qty/40':881pcs Qty/40'HQ:1041pcs

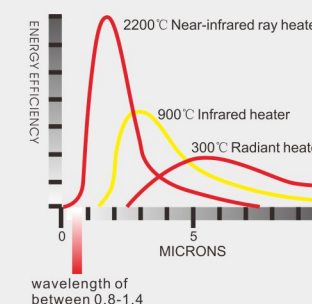

■ NH-1500DM

- 1000W power out put
- 2 power setting:500W/1000W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium

■ NH-1500EM

- 1000W power out put
- 2 power setting:500W/1000W
- Long life quality gold lamp
- 15 degree tilt adjustable head
- Wide angle oscillation
- Safety tip-over switch
- Special quality aluminium

Near-infrared ray heating is proven to be the best form of natural, healthy heat. Maintaining body vitality without side effect. The surface temperature of the gold lamp can approach 1800-2200°C, which has been tested showing that near-infrared ray wavelength of between 0.8-1.4 microns emitted by the gold lamp prove to be Optimum Energy Readily Absorbable by the Human Body, it promote the metabolism and blood circulation and is help to treat the disease of rheumatism, arthritis, skin disease etc.. The near-infrared heater is an ideal frequency physical therapy device.
